The Eyes  
of the  
World

Are no better than they should be, and could be better if the owner of each pair of eyes would will it so.  
There are fakers in the optical business, as in every other, but none are so dishonest as nine of ten people with their own eyes and treatment thereof.  
Your eyes warn and cry and plead for rest or better aid, yet from day to day, you continue to refuse them help, or the right kind of help.  
Glass aid for ailing eyes—that's our business.

Case.Waialua Agricultural Co. Brings  
Counter Claim Against  
Oahu Railroad.

Orpheum Company, Ltd., vs. J. Oswald Luttet, continued from Tuesday before Judge De Bolt, went to the jury at seven minutes to 4 p. m. yesterday. A verdict for the defendant was shortly returned. Exceptions were noted by the plaintiff, with notice of motion for a new trial.

Capital Building Co. vs. Henry Waterhouse & Co. is still on before Judge Gear and a jury. This will be the fourth day.

## COMPLAINT AND ANSWER.

Madame Kallua has brought an amended petition for cancellation of a deed against the heirs of the late James Campbell, together with his grantees, etc. As in the former petition dismissed without prejudice, the complainant charges fraud and physical violence on the part of the late James Campbell and Cecil Brown, committed in the latter's office, to obtain her signature to a conveyance to Campbell of property at King and Kapiolani streets.

Annie Kellett, D. Kellett, Jr., J. Alfred Magoon, Emmeline M. Magoon, Geo. H. Paris and wife, Dora P. Paris, Margaret J. Lightfoot and J. Lightfoot have already entered a demurrer on their own behalf to the amended complaint. They set forth that the alleged fraud and duress would not make the deed void, but at the most voidable, and that there being no allegation in the complaint that these defendants were not bona fide purchasers from James Campbell, for a valuable consideration, the complainant by her bill has ratified and confirmed the deed as to them. Therefore they pray that they may be dismissed with their reasonable costs.

## REVIVOR OF JUDGMENT.

A writ of scire facias has been sued out by Kuahini Perry Paniani, Mary Ann Perry Makai and J. Alfred Magoon against C. L. Hopkins and William Larsen. It is to revive a judgment for \$923.45 obtained in the Circuit Court on December 2, 1896, by David Dayton, administrator of the estate of Narcisse Perry, against the defendants. The present plaintiffs are assignees of different heirs of Narcisse Perry. Judge De Bolt has assigned the case to Judge Robinson.

## MOTHERS

should know. The troubles with multitudes of girls is a want of proper nourishment and enough of it. Now-a-days they call this condition by the learned name of Anemia. But words change no facts. There are thousands of girls of this kind anywhere between childhood and young ladyhood. Disease finds most of its victims among them. Some of them are passing through the mysterious changes which lead up to maturity and need especial watchfulness and care. Alas, how many break down at this critical period; the story of such losses is the saddest in the history of home. The proper treatment might have saved most of these household treasures, if the mothers had only known of WAMPOLE'S PREPARATION and given it to their daughters, they would have grown to be strong and healthy women. It is palatable as honey and contains all the nutritive and curative properties of Pure Cod Liver Oil, extracted by us from fresh cod livers, combined with the Compound Syrup of Hypophosphites and the Extracts of Malt and Wild Cherry. In building up pale, puny, emaciated children, particularly those troubled with Anemia, Scrofula, Rickets, and Bone and Blood diseases, nothing equals it; its tonic qualities are of the highest order. A Medical Institution says: "We have used your preparation in treating children for coughs, colds and inflammation; its application has never failed us in any case, even the most aggravated bordering on pneumonia." The more it is used the less will be the ravages of disease from infancy to old age. It is both a food and a medicine—modern, scientific, effective from the first dose, and never deceives or disappoints. "There is no doubt about it." Sold by all chemists here and throughout the world.

Humphreys, has brought suit against Yee Chin, Lam Hong, also known as Lum Hong, and Chew Man, also known as Chew Mon, as administrators of the estate of Yee Chew Fan, deceased, for the recovery of \$300 together with interest, costs, etc.

Chew Man or Chew Mon, administrator, absconded to the Orient with \$300 of the estate funds. He had given his bond in \$15,000 to Judge Humphreys, with Lee Chin and Lam Hong as sureties. It is stated in the declaration, on information and belief, that he is now in Manila, Philippine Islands. E. A. Douthitt is attorney for plaintiff.

## BIG COUNTER CLAIM.

In the suit of Oahu Railway & Land Co. against Waialua Agricultural Co., the defendant has answered with a counter claim of \$16,670.77, principal and interest, on account of the proportion of rental for upper Kawaiaha lands alleged to be due from the plaintiff to the defendant. It is contended that the plaintiff's claim of \$4800 for coal delivered to defendant has been liquidated and paid by the counter claim for rental just mentioned.

## BUILDINGS EASILY REMOVED.

Lee Chew, answering the complaint of William McCandless for injunction against removing buildings from premises on which a lease is about to expire, claims that the buildings were only erected as stables to house animals used in cultivating the land, that they were never attached to the soil and can be removed without injuring the premises. He asks that the complaint be dismissed.

## MRS. MOORHEAD'S WILL.

Father H. Valentin petitions for probate of the will of Margaret Moorhead, who died at Honolulu on January 30, 1904. The will was executed July 2, 1903, when the testator was of the age of about 78 years, in presence of David Dayton, Frances Stothard and Nellie McLain. After payment of her funeral expenses and just debts, she gives the Roman Catholic church in Hawaii \$100. All the rest of her estate she leaves to her great grand daughter, Margaret Elizabeth Hansmann, daughter of her grandson, John F. Hansmann, when she arrives at the age of 21 years. In the event of the death of the legatee before 21, the trust shall terminate and the estate go to the legatee's heirs. She will be 21, if she survive, on Sept. 17, 1921. Father Valentin, the will directs, is to serve without giving bonds. In the petition the estate is said to be all personal, consisting of cash in the Bank of Hawaii, \$607.85, and an interest in a mortgage value unknown.

## BISHOP GULSTAN'S ESTATE.

Father Clement Everard was, by order of Judge Gear, discharged as executor of the last will of the Right Reverend Gulstan Francis Roper, Bishop of Panopolis. He is directed to convey to the Bishop of the Roman Catholic Church all of the property remaining in his hands, consisting of an acre of land in Lahaina valued at \$150, forever in trust for the Roman Catholic Mission.

## WRAY TAYLOR CLEAR.

Attorney General Lorrin Andrews for plaintiff yesterday filed a discontinuance of the suit of the Territory of Hawaii, as trustee for 482 Chinese laborers, against Wray Taylor. This action follows the restitution of the \$800 drawn from the Chinese fund without authority by Taylor, just before leaving for San Francisco more than a year ago, not, as it happened, to return to the Territory. He was Commissioner of Agriculture at his disappearance, but was custodian of the Chinese fund from having been secretary of the Board of Immigration under the Republic of Hawaii.

## SALES CONFIRMED.

Samuel Woolley, administrator of the estate of Makaoe, deceased, is authorized to deliver a deed to Lucy Kalani Henriques and Edgar Henriques, conveying to them a certain parcel of land at Nuuanu Valley for the consideration of \$3700, and to apply the proceeds less expenses to the payment of the mortgage indebtedness of the estate. Judge Gear signed the order yesterday.

Judge Gear yesterday signed an order confirming the sale of the Puuloa Sheep and Stock Ranch Co.'s property, by the executors of the late E. C. Macfarlane to Samuel Parker and Annie T. Parker, at public auction for \$26,000.

## JUDGMENTS.

Judge Gear has given judgment for plaintiff, against both defendant and garnishee, for a total of \$125.37, in the suit of S. White, plaintiff, vs. L. G. Maitland, defendant, and O. R. & L. Co., garnishee.

Judgment is entered in the suit of Allen W. T. Bottomley vs. Wong Hes alias Wong Yee Kee, for plaintiff in the total amount of \$194.85.

F. D. Greany's suit against Pacific Import Co. is discontinued.

## DIVORCE.

Judge Robinson signed a decree for divorce in the suit of Lillian H. Young vs. Thomas H. Young, for refusal of maintenance and for cruelty. Libellee is ordered to pay \$30 a month alimony, costs of suit and attorney's fee of \$50. E. M. Watson appeared for libellant.

FROM FRYING PAN  
INTO THE FIRE

Ventura Garcia is in the toils again. He is a Porto Rican who secured his freedom from trial on a charge of larceny on Tuesday by informing the police that he had seen the escaped convict, Pedro, and would assist the police in capturing him.

On Tuesday night while searching Iwilei for Pedro Deputy Sheriff Chillingworth met Garcia. He asked him what he was doing there. He said he had visited a friend and was then on his way home. He also stated that he had met Pedro and that the latter had attempted to stab him. A few minutes afterwards a Japanese was robbed of \$15 at the spot where Chillingworth had seen Garcia. The police found Garcia in Kakaako and his victim identified him as the robber. Garcia will see Judge Lindsay in the police court again this morning.

Friedenthal will make a return visit to Honolulu on Feb. 5th.

PRESIDENT A  
MOTORMANL. Tenney Peck Takes  
a Hand at the  
Brakes.

The Rapid Transit Company has a new motorman in training in the person of its president, L. Tenney Peck. Mr. Peck appeared last evening on the Manoa line and ran a car over the whole course.

The car had several stops to make and these were accomplished to the satisfaction of the regular motorman and the passengers.

The new president believes in understanding the duties of the men behind the brakes, and has decided to ascertain by personal effort the difficulties and thousand little annoyances they are subjected to in the ordinary run of a car.

Mr. Peck is following the methods of railroad officials on the mainland in acquainting themselves with the operation of the systems under them.

Another daughter of a Revolutionary soldier has turned up in Kansas in the person of Miss Eleanor Hoyt of Lebo, Coffey county. ## THIN PEOPLE

want to get fat and fat people want to get thin—human nature. If you are fat don't take Scott's Emulsion. It will make you gain flesh. If you are thin Scott's Emulsion is just what you need.

It is one of the greatest flesh producers known. Not temporary gains but healthy, solid flesh that will fill out the body where it is needed. There's nothing better than Scott's Emulsion for weakness and wasting.

Scott's Emulsion is a food-medicine; not a stimulant; not a mere "extract" or so-called "wine" of cod liver oil. It contains the whole oil perfectly emulsified, which is the only way of preserving its valuable properties.

We'll send you a sample free upon request. SCOTT & BOWNE, 400 Pearl Street, New York.
